Year 1 Term 2 **Geography**: Comparing ME19 and London

London with a Capital L

Vocabulary	
local	an area near to where you live
area	a space of land that you could look at on a map
town	a place where there are shops, houses and schools
aerial	from the sky
map	a piece of paper or a book with drawings of the land
compass	a tool which shows direction
directions	explaining how to get to different places
landmarks	important buildings or unusual pieces of land
symbols	images or shapes which tell you information

Already, I can...
...name of the town where I live.
...talk about how the local area has changed over time.
...say how West Malling might have looked in the past.
...find and significant buildings and structures in West Malling.
...record significant events that took place in West Malling.

Can I...
Can I recognise familiar places in West Malling and London?
Can I compare facts about West Malling and London?
Can I locate West Malling and London on a map?
Can I use North, South, East and West to give directions?
Can I use aerial photos to spot differences in areas?
Can I use simple map symbols?

My sticky knowledge...

London is the capital city of England.

>9 million people live in the city.

The famous river Thames runs through the middle of the city.

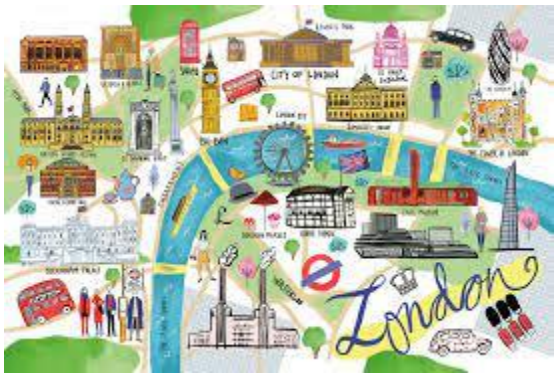

The river is the main reason a city developed in the location.

London is in the South of England on the Eastern side.

There are lots of famous landmarks in London.

London population maps and symbols compass

Catholic Social Teaching

- Every community is different, but every community is important.
- People in our local area and London all have homes, schools, shops, parks and places to meet.
- Communities work together and help one another.
- Wherever we live, we have a responsibility to look after our environment and each other.
